We. Are. Faith

Faith United Methodist Church (Faith) is an inclusive Christian community offering a home, love and grace. Faith welcomes and includes people of diverse age, race, ethnicity, culture, sexual orientation and gender identity, economic status, physical and mental ability. United, forgiven and saved by our belief in Jesus Christ, we offer comfort and peace to all seeking respite in God. We are Faith.

What We Believe

We believe God's grace is available to all people, no matter where you're from, what you look like, or what you've done. We express our love for God through active discipleship. To us, church is about sharing God's love by offering hope and healing to those looking for more meaning in their lives. We seek to live our faith in ways that create change in the world.
