Dear Faith Family:

Due to coronavirus mandates, Faith UMC (FUMC) is temporarily closed out we'll maintain contact as best we can under the circumstances. Church leadership is monitoring the pandemic and will advise when FUMC can re-open. If you need help during this time of social distancing, or can volunteer to provide same, please contact Pastor Melissa at 260-403-5979. Grocery pickups and phone calls to those sheltering at home are two possible needs. Sunday worship will be recorded for viewing online at fwmethoist.org and www.facebook.comFWFaithful. A drive-up for tithes and offerings will be staffed outside the church entrance on Sundays between 10-11 am or checks can be mailed to FUMC at 207 E. Dewald Street, FTW 46803. You may give electronically on the church website: Go to fwmethoist.org, click the online giving button and follow the prompts. You may also give via text message: Text your donation amount to 260-919-0390 and follow the instructions in the message received. Your details are saved so going forward you only need to text the donation amount. Thank you for your support as we wait, watch and pray. Blessings...
